WHAT SOLUTIONS DOES VAN DER VALK ONLINE OFFER FOR YOUR ORGANISATION?

- An easy, affordable and user-friendly environment for hybrid events (combination of online and offline).
- The possibility to host your event in multiple Van der Valk Hotels at the same time. This will save you time.
- We keep the costs low. When you use our streaming platform, you only pay streaming costs per event, per day.
- Participants can be accredited online through our own streaming platform and all data from your event can be easily exported.
- You retain full control over participation regardless of the medium. The viewing behavior of participants can also be measured via our streaming service.
- When you use our Valk Online streaming platform, your data is in a safe environment because we use our own Van der Valk Virtual Server.
